“The Third World War must be fomented by taking advantage of the differences caused by the "agentur" of the "Illuminati" between the political Zionists and the leaders of Islamic World.

The war must be conducted in such a way that Islam (the Moslem Arabic World) and political Zionism (the State of Israel) mutually destroy each other....
“Meanwhile the other nations, once more divided on this issue will be constrained to fight to the point of complete physical, moral, spiritual and economical exhaustion...

We shall unleash the Nihilists and the atheists, and we shall provoke a formidable social cataclysm which in all its horror will show clearly to the nations the effect of absolute atheism, origin of savagery and of the most bloody turmoil.”
“Then everywhere, the citizens, obliged to defend themselves against the world minority of revolutionaries, will exterminate those destroyers of civilization, and the multitude, disillusioned with Christianity, whose deistic spirits will from that moment be without compass or direction, anxious for an ideal, but without knowing where to render its adoration, will receive the true light through the universal manifestation of the pure doctrine of Lucifer, brought finally out in the public view...”

The murder of a soldier in London, the stabbing of a soldier in Paris and the violent outbreak in Sweden — Europe's alarm clock has been ringing once again over the past week. The negative birthrate compared to the increase in Muslims, the heavy unemployment and the social-religious isolation of European immigrants are all back on the agenda.

"Europe has lost its will to live as Europe," said Mideast expert Dr. Mordechai Kedar to Ynet. "It is gathered into museums, into history. If the leaders will not put an end to immigration, we will soon be hearing the death throes of the continent as we know it."

Even if it is somewhat demagogic to attempt to bind the three events from the past few days in different European sites under "Islamic extremism," and even if the rage sparks in the weaker classes of immigrants, it is hard to ignore the basic facts. Behind these events are African immigrants from Islamic countries.

Dr. Avika Libman studies the effects of the Muslim minority in Europe in light of the radical Islam on European countries. When he sees the reality, he said, there is no alternative interpretation for the events. "There is no doubt that the unemployment and the economic hardships lead to rioting, as happened in France. And yes, there is a disadvantage compared to the European bourgeois, but this is not solely bitterness due to the economic situation — because there is unemployment among youngsters who are not Muslim, like in Spain for example."

Co-host Norah O’Donnell asked former deputy CIA director Michael Morell:

“You heard people faulting President Obama for failing to identify this as Islamic extremism. Do you think this is a pseudo-controversy over semantics or is this a failure to properly identify the enemy?”
Morell responded:

“I understand what the President is saying and I agree with it. We do not want to create the perception that we are at war with a religion. But the reality is that Al Qaeda and ISIS believe they are religious warriors. They believe that they are fighting on behalf of their religion, for their religion. It’s not rhetoric on their part, they really believe it.”

SECRET MUSLIM BROTHERHOOD MEMORANDUM

Muslim Brotherhood strategic plan for North America
The strategic plan was written by a member of the Board of Directors for the Muslim Brotherhood in North America and senior Hamas leader named Mohammed Akram, and was approved by the Brotherhood’s Shura Council and Organizational Conference in 1987.
MISSION OF THE MUSLIM BROTHER IN NORTH AMERICA

“The process of settlement is a ‘Civilization-Jihadist Process’ with all the word means. The Ikhwan must understand that their work in America is a kind of grand jihad in eliminating and destroying the Western civilization from within and ‘sabotaging’ its miserable house by their hands and the hands of the believers so that it is eliminated and God’s religion is made victorious over all other religions.”
Five-Phased Plan

“Phase One: Phase of discreet and secret establishment of leadership."
“Phase Two: Phase of gradual appearance on the public scene and exercising and utilizing various public activities (It greatly succeeded in implementing this stage). It also succeeded in achieving a great deal of its important goals, such as infiltrating various sectors of the Government. Gaining religious institutions and embracing senior scholars. Gaining public support and sympathy. Establishing a shadow government (secret) within the Government.”
“Phase Three: Escalation phase, prior to conflict and confrontation with the rulers, through utilizing mass media. Currently in progress."
“Phase Four: Open public confrontation with the Government through exercising the political pressure approach. It is aggressively implementing the above-mentioned approach. Training on the use of weapons domestically and overseas in anticipation of zero-hour. It has noticeable activities in this regard.
"Phase Five: Seizing power to establish their Islamic Nation under which all parties and Islamic groups are united."
The Implementation of Shariah by the Muslim Brotherhood

- Expanding the Muslim presence by birth rate, immigration, and refusal to assimilate;
- Occupying and expanding domination of physical spaces;
- Ensuring the “Muslim Community” knows and follows MB doctrine;
- Controlling the language we use in describing the enemy;
• Ensuring we do not study their doctrine (shariah);
• Co-opting key leadership;
• Forcing compliance with shariah at local levels;
• Fighting all counterterrorism efforts;
• Subverting religious organizations;
• Employing lawfare – the offensive use of lawsuits and threats of lawsuits;
• Claiming victimization / demanding accommodations;
• Condemning “slander” against Islam;
• Subverting the U.S. education system, in particular, infiltrating and dominating U.S. Middle East studies programs;
• Demanding the right to practice shariah in segregated Muslim enclaves;
- Demanding recognition of shariah in non-Muslim spheres;
- Confronting and denouncing Western society, laws, and traditions; and
- Demanding that shariah replace Western law. Note that many of the foregoing techniques entail, in one way or another, influencing and neutralizing the American government at all levels.
Egypt: Another Christian man murdered in cold blood “only because he was a Copt”

In the early morning hours of Saturday, January 31, masked gunmen stormed the home of Nabil Mahrus, a 50-year-old Coptic Christian civil servant residing in al-Arish, the largest Sinai city. In front of his family, they went up to the Coptic man and shot him several times in the head, killing him—but only after they had plundered the family and home. According to the slain man’s wife, her husband was murdered “only because he was a Copt [i.e., Christian].”

“Recent surveys suggest that the almost countless Muslim ghettos in the West are populated by tens thousands, if not hundreds thousands, of young men adhering to the Jihadi ideology: ”
“80 percent of young Turks in Holland see “nothing wrong” in waging Jihad against non-Muslims.”
“27 percent of all young French and 14 percent of all young British – including most probably the vast majority of young Muslims in these two countries – sympathize with the genocidal terror organization Islamic State, whose fighters are also committing attacks against civilians here in the West.”
“The Islamic State accurately quotes the Quran when defending and promoting itself. People claiming that the Islamic State is ‘not Islamic’ have not been able to present proof.”

—Nicolai Sennels, 10news.dk

Top 9 Reasons Why Muslims Convert to Christianity
From 1991 to 2007, Fuller Theological Seminary's School of Intercultural Studies conducted a survey among 750 Muslims who had converted to Christianity. Those surveyed represented 50 ethnic groups from 30 different countries. Here were the nine most-cited reasons for conversion to the Christian faith:
#1

Christians practiced what they preached.
Christians appeared to have loving marriages in which women were treated as equals.
Christian-to-Christian violence was less prominent than Muslim-to-Muslim violence.
The prayers of Christians had healed the disabled and delivered others from demonic powers.
The Quran had produced profound disillusionment because it accentuates "God's punishment more than his love, and the use of violence to impose Islamic laws."
God had used visions and dreams to influence the converts' decision.
Muslims can never be certain of their forgiveness and salvation as Christians can.
As they read the Bible, the converts had been convicted of its truth.
The converts were attracted to the idea of God's unconditional love.
“Thou shalt destroy them that speak leasing [Liars]: the LORD will abhor the bloody and deceitful man.”—Psalm 5:6

Verses about Persecution
“We are afflicted in every way, but not crushed; perplexed, but not driven to despair; persecuted, but not forsaken; struck down, but not destroyed; always carrying in the body the death of Jesus, so that the life of Jesus may also be manifested in our bodies. For we who live are always being given over to death for Jesus' sake, so that the life of Jesus also may be manifested in our mortal flesh.”

—2 Corinthians 4:8-11
Jesus Christ is Victorious and will come to Judge!

For in him we live, and move, and have our being; as certain also of your own poets have said, For we are also his offspring. Forasmuch then as we are the offspring of God, we ought not to think that the Godhead is like unto gold, or silver, or stone, graven by art and man's device.
And the times of this ignorance God winked at; but now commandeth all men everywhere to repent:

Because he hath appointed a day, in the which he will judge the world in righteousness by that man whom he hath ordained; whereof he hath given assurance unto all men, in that he hath raised him from the dead.—Acts 17:28-31
"And they overcame him by the Blood of the Lamb, and by the WORD of their testimony and they did not love their own lives till death.

—Revelation 12:11
For the sake of Christ, then, I am content with weaknesses, insults, hardships, persecutions, and calamities. For when I am weak, then I am strong.

—2 Corinthians 12:10
Indeed, all who desire to live a godly life in Christ Jesus will be persecuted,

—2 Timothy 3:12
“Beloved, do not be surprised at the fiery trial when it comes upon you to test you, as though something strange were happening to you. But rejoice insofar as you share Christ's sufferings, that you may also rejoice and be glad when his glory is revealed.”
“If you are insulted for the name of Christ, you are blessed, because the Spirit of glory and of God rests upon you. Yet if anyone suffers as a Christian, let him not be ashamed, but let him glorify God in that name.”

—1 Peter 4:12-14, 16
PRAYER AGAINST TERRORISM

I bind and rebuke every red eagle of terror that would come against my nation in the name of Jesus.—(Jer. 49.22)

I will not be afraid of the terror by night.

— (Ps. 91:5)

I bind and rebuke all terrorists that would plot against my nation in the name of Jesus.

I bind and rebuke all spirits of hatred and murder that would manifest through terrorism in the name of Jesus.
I bind and rebuke all religious terrorists in the name of Jesus.
I bind and rebuke all demons oh jihad in the name of Jesus.
I bind and rebuke all spirits of antichrist and hatred of Christianity in the name of Jesus.
I bind all spirits of hatred of America in the name of Jesus.
I bind all spirits of hatred of Mexico in the name of Jesus.
I bind all spirits of hatred of Israel in the name of Jesus.
I bind and rebuke the terrors of death in the name of Jesus. (Ps. 55.4)
I bind all fear and panic that would come through terrorism in the name of Jesus.
Deliver me from violent and bloodthirsty men. (Ps. 140:1)
I cut the acts of violence out of the hands of the wicked. (Isa. 59:6)
Let the assemblies of violent men be exposed and cut off. (Ps. 86:14)
Let violence be no more in my borders (Isa. 60:18)
In the Name Power and Authority of Our Lord Jesus Christ, may this prayer be sealed in strength, magnitude and may it become invisible and a tool to fight the Enemy, for it is written in the Book of Life, Amen!
Faith Is the Victory!

Encamped along the hills of light,
Ye Christian soldiers, rise,
And press the battle ere the night
Shall veil the glowing skies.

Against the foe in vales below
Let all our strength be hurled;
Faith is the victory, we know,
That overcomes the world.
Faith is the victory!
Faith is the victory!
Oh, glorious victory,
That overcomes the world.
His banner over us is love,  
Our sword the Word of God;  
We tread the road the saints above  
With shouts of triumph trod.  
By faith, they like a whirlwind’s breath,  
Swept on o’er every field;  
The faith by which they conquered death  
Is still our shining shield.
On every hand the foe we find
Drawn up in dread array;
Let tents of ease be left behind,
And onward to the fray.
Salvation’s helmet on each head,
With truth all girt about,
The earth shall tremble ’neath our tread,
And echo with our shout.
To him that overcomes the foe,
White raiment shall be giv’n;
Before the angels he shall know
His name confessed in heav’n.
Then onward from the hills of light,
Our hearts with love aflame,
We’ll vanquish all the hosts of night,
In Jesus’ conqu’ring name.
"I continue to live my life as a soldier in Jesus Name with my full armor on!"
The people of the cross, the followers of the hostile Egyptian Church
"The world was not worthy of them." (Heb. 11:38)
"because of the blood of the Lamb & because of the word of their testimony, and they did not love their life even when faced with death." (Rev. 12:11)
“Blessed are they which are persecuted for righteousness’ sake: for theirs is the kingdom of heaven.”—Matthew 5:10
